

Create your own WILD WALL SCENE 3

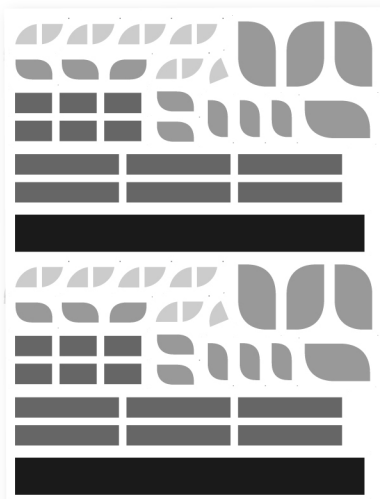

ASSEMBLY 3

Using the 6 basic tree elements you can create the tree of your choice...
The possibilities are endless!

To create the tree shown,
simply grab your 3 tree
pack sheets and match the
pieces accordingly.

Then use the remaining tree
pieces to create hanging vines.

TREE PACK SHEET

-  Trunk pieces
-  Branch pieces
-  Leaves
-  Corners

3
Continue moving down the
trunk until all branch &
corner pieces are used up.

4
Finish off by adding
all the leaves!

2
Create the branches by
using the branch & corner
pieces. We recommend
starting at the top of the
trunk & continuing down.

5
Use the remaining
pieces to create hanging
vine from the ceiling.

1
Start by assembling
the trunk pieces.
